

Steering Group Member Profile

Name: Helen Laws

Group/
Organisation:
(if applicable) nCompass Hull

Personal Statement

For many years I have been challenging how Health and Social care has been delivered by the institutions and have made a large number of representations on behalf of others with regards to the standard of their care pathway.

It is from this background that I am standing for a position on the Hull LINK steering group. I feel that I have the ability and track record to represent the health and social care needs of the wider population of Hull including black and ethnic minorities, Lesbian, Gay, Bi, Trans community all of whom I have contact with daily.

I have good communications skills and have the ability to communicate effectively at all levels while representing the views of others. My qualifications include Teacher Training, ICT, and Social Policy with Gender Studies, at degree level.
