Name: Ali Lovelock

Group/  
Organisation:  
(if applicable)

### Personal Statement

I was an active member of the Hull PPI Forum which preceded the Hull LINK, and have been involved in the setting up of the current LINK. I work for a voluntary organisation in the health and social care sector and have an understanding of the bigger picture nationally as well as locally, and as a resident of Hull for the past 30 years I have a keen interest in, and knowledge and experience of, local health and social care issues as a service user.

In my personal and professional life I have also been involved with diverse groups of people including refugees, asylum seekers, migrant workers, victims of substance misuse, the disabled and the LGBT community.

I have experience both in my personal and professional life of reading and summarising information effectively, and of presenting to meetings and conferences of up to 300 delegates. I believe I have good written and spoken communication skills, and a commitment to equal opportunities. I have read and understand the terms of reference and accept them, am committed to the ongoing development and work of the LINK, and am prepared to give my time and effort to help it succeed.
